

Bicycle Technician (Vancouver)

Mobi Bike Share is now here in Vancouver, want to join our great team?

We are looking for **bicycle technicians** who are excited to learn more about bike share and the cycling community here in Vancouver. 1500 public bikes at 150 stations will be installed by our team and we need strong team players to help us get it done. Join the team behind the scenes keeping the bikes functioning and easily accessible to our members and the public.

About the Position:

Bike Technicians keep the bikes and related equipment in a safe and smooth working condition for our clients.

Bike technicians will also be expected to be creative in trouble shooting technical issues as they arise. Each team member can expect to work on a variety of tasks and programs related to the overall program health and long term goals.

About The Industry:

Bicycle sharing is a healthy and sustainable form of public transportation in which bicycles are available through a shared use system for short term rides. Proven to be incredibly successful in over 800 cities around the globe, bike share provides a fun and healthy way to commute to work, get around the city and explore the sites. Similar to car share, bike share is seeing tremendous growth and strong demand and usage by consumers.

About The Company:

Vancouver Bike Share is part of the CycleHop family, the largest 'Smart Bike' bike share operator in North America, managing municipal bike share programs in over 15 cities. As operator of the Vancouver Bike Share program, we're looking for excellent candidates to help grow our team.

Responsibilities include the following:

- Bicycle and station assembly and install
- Bicycle, station and equipment cleaning

- Bicycle maintenance and repairs
- Balancing stations: loading and unloading bicycles from vehicle and stations
- Accurate maintenance record keeping
- Use of program hardware and software
- Customer service and public outreach
- Follow company protocols and
- Additional duties as assigned by Manager/Supervisor

General Qualifications:

- Willingness to work both indoors and outdoors in all types of weather
- Valid Driver's License in good standing
- Strong interest in cycling and public transportation
- Strong computer and software knowledge
- Ability to load, and move bicycles and equipment (~50 pounds)
- Minor bicycle repair skills and mechanical abilities

Technical Experience:

- Professional level bicycle repair skills (shop experience preferred)
- Strong mechanical aptitude
- Ability to quickly learn new technology
- Experience scheduling and managing staff

If you would like to be considered as an applicant, please respond to this job posting by providing your resume and a short cover letter describing your interest in cycling, bike share, and what you can bring to the team. Both the cover letter and resume should be submitted in .pdf format.

Diversity and Equal Opportunity Employment: Vancouver Bike Share Inc. is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, colour, religion, sex, sexual orientation, gender identity, national origin, age, or disability.
